Be Warned

In time. Kidney diseases may be prevented by purifying, renewing, and invigorating the blood with Ayer's Sarasparilla. When, through debility, the action of the kidneys is perverted, these organs rot the blood of its needed constituent, albumen, which is passed off in the urine, while worn out matter, which they should carry off from the blood, is allowed to remain. By the use of Ayer's Sarasparilla, the Maines, minuris, or proper action, and Absa-minuris, or proper action, and Absa-minuris, or

Bright's Disease

b prevented. Ayer's Sarsaparilla also prevents inflammation of the kidneys, and other disorders of these organs. Mrs. Jas. W. Weld, Forest Hill st., Jammies Plain, Mass., writes: "I have had a complication of diseases, but my greatest trouble has been with my kidneys. Four bottles of Ayer's Sarsaparilla made me feel like a new person; as well and strong as new person; as well and strong as my large of the strong as well and strong as well and strong as with the strong as well and the strong as with the strong as well and the strong as well and the strong as well and the strong as well as the strong as

Ayer's **Cherry Pectoral**

Should be kept constantly at hand, for use in emergencies of the household. Many a mother, startled in the night by the ominous sounds of Crony, finds the little sufferer, with red and swollen face, rapping for air. In such cases Aper's apping for air. In such cases Aper's Gedney, 150 West 128 st., New York, writes: "While in the country, last winter, my little boy, three years old, was taken ill with Croup; it seemed as if he would die from strangulation. Aper's Cherry Pectoral was tried in small and frequent doses, and, in less than half an hour, the little patient was breathing ussily. The doctor said that the Pectoral saved my darlings life." Mrs. Chas. B. Landon, Guilford, Conn., writes: "Ayer's Cherry Pectoral Conn., writes: "Ayer's Cherry Pectors."

Saved My Life,

Saved My Life, and also the life of my little son. As he is troubled with Croup, I dare not be without this remedy in the house." Mrs. J. Gregg, Lowell, Mass., writes: "My shildren have repeatedly taken Ayer's Cherry Pectoral for Coughs and Croup, It gives immediate relief, followed by aure." Mrs. Mary E. Evans, Seranton, Pa., writes: "I have two little boys, both of whom have been, from infancy, subject to violent attacks of Croup. About six months ago we began using Ayer's Cherry Pectoral, and it aets like a charm. In a few minutes after the child takes it, he breathes easily and rests well. Every mother ought to know what a blessing I have found in Ayer's Cherry Pectoral."
Mrs. Win. C. Redi, Frechold. A. J., writes: "In our family, Ayer's medicines have been blessings for many years. In eases of Colds and Coughs, we take

THE GRANT MONUMENT FUND.

Its Affairs Turned Over to the Incorp-

Its Affairs Torned Over to the Incorpora-tors at a Meeting in New York. New York, Feb. 22.—A meeting of the general committee of the Grant Monumose Fund association was held in the director-rooms of the Mutual Life Insurance com-verse the Affairs of the Affairs of the association to the committee named in the association to the committee named in the articles of incorporation granted hast week at Alkany. After Mr. Levi M. Bates had been called to the chair, a motion was offered that the regarder be made and was carried unani-

the transfer be made and was carried unanimously.

Mr. Patrick Parrelly moved that the general committee dipourn indefinitely. This consideration was a superscript of the said that he considered that every member of the general committee should feel appeared interest in the success of the fund. He suggested that the committee named in the articles of incorporation be empowered to appoint an additional committee which appoint an additional committee which closely the work of such committee watch closely the work of such committee was added and added adjustment of the committee was considered to the constitution of the c

stead argumes unique to use and a circle.

High N. Camp deplored the failure of the fund so far. In his opinion this failur was due to the lack of energiest work, to the attempt to raise the unnecessarily large sun of \$1,000,000 and to the committee warful its efforts upon the country at large instead of comining them to New York State. The attempt of the state of th

es to the Carlton Club Shown Support of the Statement—The Story De-nied in Government Circles — German

nied in Government Circles — German Cheatnute—Tuppet and String.
Loxnox, Feb. 22.—The Tories are industriously circulating a report that a secret breaty of alliance has been signed between Prince Bismarck and Mr. Giladrone. The negotiators of the treaty are said to have been Count Herbert Bismarck and the Earl of Roseberry, Mr. Giladstone's new foreign secretary. Soveral telegrams from Berlin to members of the Carlton club are exhibited in support of the statement. These dispatches assert that overcurses were first made By the health of the contract of the carlton club are exhibited in support of the statement. These dispatches assert that overcurses were first made By the interval between Lord Salisbury's retire ment and Mr. Giladstone's assumption of offlee; that they progressed rapidly and were soon taken in hand personally by the two premiers; that Mr. Giladstone was the more unxious of the two to effect the alliance, and that all the concessions that were made were on the British side.

The Tories claim that Prince Bismarck was allowed to partially dictate the formation of the new cabine by Mr. Giladstone's consent that all the concessions that were made were on the British side.

The Tories claim that Prince Bismarck was allowed to partially dictate the formation of the new cabine by Mr. Giladstone's consent tarsies for foreign affairs, for war, and for the colonies—Earl Granville, both the suppointed to those offices. By this means, the colonies—Earl Granville, both the suppointed to those offices, by this means, the proposed of the suppointed to those offices, and the suppointed to the concellence of whether and the proposed of the suppointed to the concellence of whether, as it goes far toward exclusive the proposed of the suppointed to the containing development of the suppointed to the suppointed to the exchange of the suppointed to the supp

COWHIDING AN EDITOR.
